OUR SUSTAINABLE PLEDGES

We are committed to tracking, improving, and promoting sustainable pledges. In our business decisions, including strategic ones, we consider balancing the economic needs of our company. We take responsibility for our environment and the social well-being of everyone we collaborate with. Our sustainable pledges are...

PRODUCTS & WASTE

We use environmentally friendly cleaning products, limit the use of plastic, and sort our waste.

ENERGY

We utilize LED lighting throughout the entire building and limit energy consumption during the setup and dismantling of events.

TRAVEL & ACCOMODATION

Next to our venue, at the Courtyard by Marriott hotel, we have charging stations for electric vehicles. Additionally, we encourage our guests to carpool to the event.

SUPPLIERS

We prefer and proudly prioritize the use of local, sustainable suppliers whenever possible.

FOOD

We offer multiple vegetarian options at all food stations and monitor portion sizes to prevent food waste.

COMMUNITY

Over the past 30 years, we have built a strong bond with the neighborhood. We are happy to support wherever it is needed.

TEAM

We develop our staff through initiatives such as our Talent Program. Team = family.

BETTER MEAT

The meat we use is of the highest quality. We collaborate with the finest ranches in the USA for our Prime Angus beef and in Spain for our Duroc pork.

A warm welcome

Colorful Portuguese tiles adorn the cocktail bar, overlooking the grill, and surround the buffet area.

CLAUS BOWLING

Claus Bowling is the largest bowling alley in the Haarlem, Haarlemmermeer, and Amsterdam region, boasting 20 modern bowling lanes. The bowling alley features an American 50s-style restaurant with a variety of packages. The new bar is a true eyecatcher. Choose between traditional bowling or be one of the first in Europe to try the new bowling game, HyperBowling.
